Dear

On 25 July 2007 the office of the Information and Privacy Coordinator received your 18 July 2007 Freedom of Information Act (FOIA) request for:

**A copy of the contents of the administrative tracking file for each of the eight oldest FOIA requests pending at the CIA.**

We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

Based on the information provided in your letter, we determined that your request falls into the "all other" fee category, which means that you will be required to pay charges that recover the cost of searching for and reproducing responsive records (if any) beyond the first 100 pages of reproduction and the first two hours of search time, which will be furnished free. Copying costs will be assessed at the rate of ten cents per page. We note your agreement to pay up to \$35. We do not anticipate that the fees will exceed that figure.

Therefore, we accept your request and will process it according to the FOIA, 5 U.S.C. § 552, as amended, and the CIA Information Act, 50 U.S.C. § 431, as amended. Unless you object, we will limit our search to CIA-originated records existing through the date of this acceptance letter.

APPROVED FOR  
RELEASE ☐ DATE:  
03-Jun-2010

The large number of FOIA requests CIA receives has created unavoidable delays making it unlikely that we can respond within the 20 working days the FOIA requires. You have the right to consider our honest appraisal as a denial of your request and you may appeal to the Agency Release Panel. A more practical approach would permit us to continue processing your request and respond to you as soon as we can. You will retain your appeal rights and, once you receive the results of our search, can appeal at that time if you wish. We will proceed on that basis unless you object.

Sincerely,

Scott Koch

Information and Privacy Coordinator
